# Who is Orphan Grain Train?

In 1992, the Rev. Ray Wilke, pastor of Grace Lutheran Church in Norfolk, Nebraska, went with a group of volunteers to Latvia and Russia to assist with a church mission. There they witnessed the desperate needs for help after the break-up of the former Soviet Union.

The Latvian people begged Rev. Wilke for assistance and he promised to do something about their sad plight. When he returned home he approached Clayton Andrews, of Andrews Van Lines in Norfolk. Andrews heard the story and never hesitated to assist. He threw his full resources and energy behind the idea and designed what is now known as Orphan Grain Train.

The concept of Orphan Grain Train took off far beyond anyone's dreams. Soon Orphan Grain Train's first shipment—clothes and quilts—arrived in Riga, Latvia. By God's grace and blessing the volunteer idea grew into 20 regional divisions coast-to-coast. Since 1993 we have delivered more than 63,200,000 pounds of aid worldwide in the name of Jesus Christ.

Our motto:

“I will not leave you as orphans; I will come to you.” John 14:18
