

# Project Feed 500

Millions of children and families are starving in countries around the world. In order to help meet the need for food, Orphan Grain Train has initiated a new program called **Project Feed 500.**

For a cost of about 3 pennies, Orphan Grain Train can ship a meal to a child in a foreign country.

**\$15 will feed 500**  
**\$150 will feed 5000**

If a family of 4 could give up just one fast food meal, the savings would **Feed 500.**

The goal of **Project Feed 500** is to ship enough meals to feed **4 million** hungry people by September 2012.

**YES, please use my donation for Project Feed 500.**
