Gifts of Love Bring Joy

Pictures tell stories that words cannot express. On these two pages the men, women, and children in Republic of Georgia happily receive food, clothing, medical equipment, toys, backpacks, blankets, and bicycles from our March 2024 shipment — all because of your generosity. As stated so beautifully in the Orphan Grain Train brochure, “wherever relief supplies are distributed is an open door to share God’s Word with destitute people.”

Through you, Christ’s name and character was delivered to needy people. ■
